ECSC Group plc

Ian Mann awarded Cyber Security CEO Award

ECSC Group plc, the provider of cyber security services, is pleased to announce that Ian Mann, Chief Executive Officer, has been awarded the 'Most Innovative Cyber Security CEO' award, at the 2021 Global CEO Excellence Awards, run by CEO Monthly Magazine.

CEO Monthly offers insight, interviews and profiles of Chief Executive Officers from across the breadth of the global corporate landscape. The Global CEO Excellence Awards commend the CEOs who continue to demonstrate high levels of dedication in their role and serve as inspiration for those seeking to overcome business challenges. Nominees are assessed by the publication's panel based on their accomplishments, reputation, and ability to illustrate commitment to their missions and values in business.

This award recognises Ian's ongoing contribution to innovation at ECSC and his commitment to increasing awareness and knowledge of cyber security, both within the industry and society more widely. CEO Monthly cites ECSC's in-house, proprietary technology, including advanced Artificial Intelligence (AI) systems, as well as initiatives to establish openness and the sharing of ideas, such as the hosting of free webinar events on topics such as ransomware and how SMEs can improve their cyber security.

Ian Mann, Chief Executive Officer of ECSC, commented: "I am delighted to receive this award as recognition of the work we do at ECSC for our clients and the wider industry. I would like to thank the whole team for their continued dedication and commitment over the years, and CEO Monthly Magazine for this recognition."

Notes to Editors:

Founded in 2000, ECSC Group plc (AIM: ECSC) is the UK's longest running full-service cyber security service provider. With an extensive range of in-house developed proprietary technologies, including advanced Artificial Intelligence (AI) systems, ECSC provides expert security breach prevention and advisory support to organisations across all sectors.

ECSC operates from two Security Operations Centres (SOCs): one in Yorkshire, UK, and the other in Brisbane, Australia. ECSC offers flexible 24/7/365 cyber security monitoring, detection, and response support to its clients, either as a fully managed service or to enhance an organisation's existing cyber security systems. In addition, ECSC's Assurance division provides guidance, certification to industry standards, and extensive testing services to allow organisations to assess their cyber security protection.

ECSC is led by a highly experienced senior management team with over 80 years' combined experience within the company, and has delivered consecutive organic growth for the last 20 years.

The Company's broad client base ranges from e-commerce start-ups to global blue-chip organisations, including 10% of the FTSE 100.
