Notes to Editors:

Founded in 2000, ECSC Group plc (AIM: ECSC) is the UK's longest running full-service cyber security service provider. With an extensive range of in-house developed proprietary technologies, including advanced Artificial Intelligence (AI) systems, ECSC provides expert security breach prevention and advisory support to organisations across all sectors.

ECSC operates from two Security Operations Centres (SOCs): one in Yorkshire, UK, and the other in Brisbane, Australia. ECSC offers flexible 24/7/365 cyber security monitoring, detection, and response support to its clients, either as a fully managed service or to enhance an organisation's existing cyber security systems. In addition, ECSC's Assurance division provides guidance, certification to industry standards, and extensive testing services to allow organisations to assess their cyber security protection.

ECSC is led by a highly experienced senior management team with over 80 years' combined experience within the company and has delivered consecutive organic growth for the last 20 years.

The Company's broad client base ranges from e-commerce start-ups to global blue-chip organisations, including 10% of the FTSE 100.
