ECSC wins industry excellence award

ECSC (AIM: ECSC), the provider of cyber security services, is delighted to announce that it has received an Award for Excellence at PCI* London 2020, the region's best-known gathering of payment risk and security professionals. The annual awards recognise the outstanding work across the payment card industry, reflecting demonstrable best-in-class abilities. This will be the fourth year in a row that ECSC has received this accolade.

The 2020 award recognises ECSC's work within the payment card industry and its expertise in handling a cyber security breach. From forensic investigation and identifying root cause; to containment; and finally recovery, working with the major card brands and the Information Commissioner's Office.

Ian Mann, Chief Executive Officer of ECSC, commented:

"We're extremely proud to receive this award for the fourth year in a row, especially as it reflects not only our expertise within the PCI field but also extends to that of our incident response team. This is testament to our time within the industry and the wealth of expertise across the whole business."
